

Dear Pastor and Youth Workers,

With spring a little less than a month away it's getting to be that time of year again to start planning for the 2007 Teen Life Conference!

This year's theme is "Back to the Bible". Your teens will be challenged by Bob Fields, former IL/MO state representative and now pastor of Germantown Hills Baptist Church. He will be challenging your young people during three different sessions on our Baptist heritage, who we are, and why we are.

Your teens will also be able to participate in three workshops that will supplement the theme in the following three areas: what the Bible is (Inerrancy/Inspiration), how we got our Bible (Canon), and what the Bible says (Interpretation/Application). Like last year, these workshops will be interactive and encourage every young person to participate and learn how to apply principles from these three areas in their everyday lives. Each person will also receive a workbook that they can use throughout the sessions.

Various social activities and free time will also encourage young people to interact with each other and those outside their youth group.

This year's conference is May 11-12 at Camp Manitoumi in central Illinois. Check-in starts at 6:00P.M. with the first session starting at 7:30P.M. Dismissal on Saturday is at 3:30P.M. Early bird registration is \$25 per person if postmarked before May 1 and \$35 after. Please use the enclosed registration form.

Please check the website or email comments@ilmoyouth.org if you need further information or assistance.

We hope to see you there!

In Christ,

Nathaniel Kealen
TLC Coordinator
